SUBJECT: (S) SLOVENIA: NO REPORTED ARMS SALES TO YEMEN

REF: SECSTATE 60618

Classified By: Deputy Chief of Mission Dean J. Haas for reasons 1.4(b) and (d).

[1](#). (S) Pol-Miloff delivered reftel talking points on 08 April to MFA Security Policy Department staffer Bostjan Jerman, who handles non-proliferation issues and export controls. Having taken over his current portfolio just last year, Jerman was confident that no arms shipments from Slovenia have been made to Yemen since 2003. He said he would look into whether any such shipments had been made prior to 2003, but he was reasonably confident that there were none. Jerman said he would ensure the talking points reached colleagues in the licensing department at the Defense Ministry, as well. Jerman sits on inter-agency committees dealing with export controls and dual-use licensing.
